

1. Have you seen a creepy crawly caterpillar munching?
Have you seen a super spinning scuttling spider hunting?
Swooping, gliding dragonflies,
buzzing bumblebees.
Weary wand'ring woodlice in the leaves.

2. Have you seen the beauty of a butterfly adancing?
Have you seen a troupe of busy soldier ants advancing?
Swooping, gliding dragonflies,
buzzing bumblebees.
Weary wand'ring woodlice in the leaves.
